

Ronald Lawrence Meade peacefully passed away at home on February 19, 2025, at 6:10 PM, at the age of 83, after an extraordinary four-year fight with stage four lung cancer.

Born to Larry and Beatrice Meade in Kansas on January 12, 1942

Ron was a devoted husband, father, grandfather, great-grandfather, brother, brother-in-law, nephew, and well-respected businessman. His life mirrored the Bible's Beatitudes, which Jesus spoke of. Blessed are those who are gentle and meek—that's Ron! Blessed are those who are fair or righteous...That's Ron. Blessed are the peacemakers and those who have a good heart. Ron did his best to live up to those positive attributes each and every day.

Ron was committed to excellence in all his endeavors, from playing the string guitar as a child to driving streetcars for car titles to support his family. He enjoyed a successful career spanning over 45 years in the dairy and foods industry, eventually becoming President at Casa Herrera Inc.

Under Ronald Mead's presidency at Casa Herrera Inc., Ron led the organization through completing a successful Chapter 11 reorganization plan. He was victorious in a suit against the bank that backed the accuser, which set and changed legal precedence. Ron also played an instrumental role in developing Casa Herreras's 52 x 52 Flour Press Machine.
